

PHOENIX FLYERS

Wednesday, January 27, 2016

Goodafternoon!

Wow the year is going by quickly! We are already half way through the year. We have ten graduates so far, and are looking at many, many others by the end of the year. We are getting used to a new kind of day at school where it RAINS often! What a concept.

In December Mr. Nelson and I took six kids snow shoeing. It was a beautiful, sunny day with fresh powder. Check out the photos on the front page of this website. Although it was very cold, the trek was pretty difficult and we were all warm enough. Mr. Nelson brought heaters for hot chocolate during our lunch break. Some of the kids were in snow for the first time. Robert Gregori made a snowman - named Frederick. It was about 8 inches high. Very cute.

This week Phoenix went through our mid-term WASC visit. Thanks so much to Chuck for all of his writing and rewriting of the report. The committee said that Phoenix was one of the best, if not THE BEST school they have seen. Yeah to all of the students and staff! We are the best!

We have ten graduates so far this year!

Uri Catalan
