

PHOENIX FLYERS

Monday, March 06, 2017

Good afternoon!

Wow, another year is going by very quickly! We are more than half way through the year. We have four graduates so far, and are looking at many others by the end of the year. We are getting used to a new kind of day at school where it RAINS often! What a concept.

Phoenix and ATLAS are both working together so well. The snow shoe and ski trips are available to both schools, and have been great fun for students and staff! Check out the ATLAS website for updates and photos! (<http://atlas.wpusd.k12.ca.us/>)

Phoenix is also getting some much needed attention and TLC as far as facilities goes. This summer the district will be painting the outside of the school, we will be getting a new Phoenix High School sign with our new logo, a newer, nicer fence will replace the old one, and more!

We have an Art Show - Open House coming up on May 4 from 3:30 - 5:30. We will be auctioning off student and staff decorated/repurposed chairs and will also be selling plants in student and staff decorated pots. Cards and other artistic items will also be sold. Proceeds will go to the Phoenix Art Program run by Nina Mazzo, Sun City volunteer. Please join us on May 4th!
